Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought
- [Mariposa County drought proclamation continuation received](#)
- [Bi-Weekly Drought Brief attached](#)

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

Showers will persist across much of the area today as a front moves onshore. Chances for light rain will continue over Del Norte county into Saturday.

San Francisco Weather:

Scattered showers will continue early this morning across the bay area but end by mid-morning or lunchtime. High pressure will then rebuild with a return to dry and seasonable weather through the upcoming weekend. Rain may return next week but probably not until midweek or beyond.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Showers today are present behind a fast moving weak cold front. Most of the area will then dry out tonight into early next week as high pressure rebuilds over the west coast. A weak trough over the Pacific Northwest may impact Shasta County northward Friday and Saturday but any additional precipitation will remain light. The next chance for precipitation for the entire area will return around the middle of next week.

Hanford Weather:

A weak storm system will move through the central California interior this morning producing light rain showers and high elevation snow mainly north of kern county. Dry weather will return for the weekend including some fog Saturday. The next chance of rain will be toward the middle of next week.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

A weak front may bring light rain to northern areas this morning. Otherwise skies will be partly to mostly cloudy through Saturday morning. There is a slight chance of light rain across southern section's late tonight and Friday morning. Clouds will decrease Saturday afternoon. Upper level ridging and offshore flow will bring dry and warmer weather Sunday through Monday with locally gusty winds. Temperatures will likely remain above normal Tuesday. An upper trough could bring light rain to far northern by mid-week.

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

A deep marine layer will continue to bring low clouds west of the mountains through the weekend. Some energy tonight and Friday could produce some light showers. Higher pressure and offshore flow will bring a clearing and warming trend early next week.

Southeast California Weather:

Anticipate subtle cooling through Saturday due to weakening high pressure. A dry cold front moving through the region on Sunday will lead to windy and cooler conditions. Winds will weaken during the first half of the next work week and temperatures will gradually increase.

SITUATION SUMMARY

Week-Ahead Weather: Key Points

Week Ahead Weather

Thursday

- Rain and mountain snow north of Monterey Bay to Yosemite line
 - Snow level 7000 - 8000 feet
 - High elevation roadways in the north may have light snow and ice

Friday-Wednesday

- Possible breezy winds and fire weather issues for SoCal over the weekend, otherwise no impacts expected.

See attachment for detailed National Weather Service briefing.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program. The VAL is working with nonprofit organizations on seeking reimbursement.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The VAL participated in a meeting with the CA Human Development agency and the Great Northern Services to discuss potential use of drought funding to assist fire survivors with rental and utility payments. Great Northern Services will work with the VAL to identify the need for assistance. If funding is approved, payments will be made directly to the landlord and or utility company. The rental and utility needs of residents affected by the Happy Camp fire will also be captured.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- CalRecycle is beginning the process of contacting property owners for the removal of trees. Homeowners will be asked to sign a separate Disposition of Tree Agreement (DTA). No tree removal will begin on a property until the DTA is signed. Tree stumps will not be removed. Tree removal is slated to begin next week.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

23,795.09 total tons of debris have been removed as of Day 26 of operations (445.23 tons of metal delivered for recycling; 7,827.83 tons of concrete delivered for recycling; and 15,522.03 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 26

- 133 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 12 Sites denied entry.
- 133 Sites documented.
- 133 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 128 Debris removal completed.
- 115 Sites sampled.
- 22 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

- One (1) Cal OES Recovery staff is assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

Recovery Activities

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Fifty-nine (59) RPAs were received and nine (9) were withdrawn for a total of fifty (50) RPAs submitted to FEMA. Thirty-four (34) Kickoff Meetings have been completed and one (1) kick-off meeting has been scheduled for this week.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations. A representative from the Solano Community Action Partnership will contact individuals who visited the Solano Information Center to notify them of the opening of the Disaster Recovery Center (DRC).
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On October 29, 2014, FEMA and SBA provided representatives in the Napa LAC. On October 30, 2014, the Disaster Recovery Center in the City of Vallejo opened. The LAC and DRC are open until further notice. The operational hours for both centers are Monday – Friday 9 AM to 6 PM Saturdays-9 AM to 4 PM; **Sundays closed; In addition, both centers will be closed on November 27, 2014, and November 28, 2014, in observation of Thanksgiving.**
- The California Small Business Development Centers (SBDCs) have partnered with SBA and are providing services at no charge to assist small businesses impacted by the disaster with financial counseling, management and technical assistance, business planning, reconstructing damaged or destroyed business records, rewriting business plans, etc.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC and Inland REOC are activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
